LABOUR RECRUITMENT, MANNING & HR

Our recruitment service can assist you recruit and employ the people you need.

We work closely with vessel owners & operators and companies working in the energy and mining sectors in Ghana to recruit maritime crew from officers to ratings, offshore and technical staff such as welders, riggers needed for onboard or offshore jobs.

We offer a specialist HR and recruitment service for companies operating in industry sectors such as mining and projects who wish to employ Ghanaian staff, including a payroll service as required.

PROCUREMENT & SHIP CHANDLING

Procurement is an essential part of keeping operational costs down, whether on board a vessel in port or offshore on a rig or vessel.

Our excellent relationships with local suppliers mean that whether it's fresh or frozen food, engineering or technical supplies, missing or mechanical parts or ship's spares - we will offer the best price and a round-the-clock delivery service. Price lists for regular supplies are updated weekly.

Through sister company OMA Logistics Ghana we offer warehousing and storage facilities for goods in Tema as required.

CREW SERVICES

Through sister company OMA Ghana we offer crew handling and crew change services for crew and other persons transiting through Ghana.

We offer a meet & greet service for all personnel, travel and immigration assistance, transport and hotel booking and visa applications where required.
