PRINCIPALS, PARTNERS, STAKEHOLDERS ADVISORY – COVID 19

March 30th, 2020

The Ghanaian authorities announced a lockdown in the Greater Accra Metropolitan Area and the Greater Kumasi Metropolitan Area from 01:00 (local time) on March 30th, 2020 for a period of 14 days.

Accra Kotoka International airport and Tema port are within the lockdown areas but along with their stakeholders are still allowed to operate for cargo only. Takoradi port is operating normally, although no movement of persons are permitted.

Oil and Marine Agencies Ghana Ltd would like to inform its principals, partners and stakeholders that, as port and airport stakeholders, we are still operational during the COVID19 Pandemic.

Although the majority of our staff are working from home, our offices and warehouse in the port and airport remain operational. We will however closely follow Ghana authorities' guidelines to ensure a safe working environment for our staff and all the stakeholders.

We are doing everything possible to make sure our premises are as safe as possible, however, in order to keep contact to the barest minimum, we ask you to support us in avoiding physical meetings. We are at your full disposal through emails or other online and phone-based channels.

If you have any questions or require any further information, please do not hesitate to contact us. logistics.gh@omagroup.com; shipagency.gh@omagroup.com;

Keeping you duly informed
