COVID PROTOCOL

ON signers

All Seafarers traveling to Togo :

- A. Need to present proof of complete vaccination and will not be subjected to a PCR test at the airport and can be directly transferred to the Vessel (Depending on the Time of arrival)**
- B. For non-vaccinated travellers, they need to undergo Covid-19 test in their Home Country, 72 hours before their departure .**

These travellers will therefore be subjected to a PCR test at the airport upon arrival

- Send us the Covid-19 result
- Register himself www.voyage.gouv.tg and
- Revert us with the QR CODE
 - Or send us the personal details (Passport copy / Mother / Father name & Permanent address) and we can assist on this registration on their behalf
 - OMA can pay for their Confirmation Covid-19 test at Lomé Airport if required .
 - All Seafarers will be accommodated at Hotel until they received their confirmation Negative covid-19 test result before proceeding onboard.
 - Result will be available within 24 to 48 hours.

OFF signers

All Seafarers traveling from Togo need to be aligned with the Airline company and home country regulations regarding Covid Situation.

1. Seafarers presenting proof of complete vaccination can be disembarked without PCR test
2. For non-vaccinated Seafarers the covid test is compulsory
 - Seafarers need to be disembarked and the Covid-19 test sampling is provided In-Port
 - And re-embark once Covid-19 test is done to wait onboard for the Covid-19 test result
 - Normal test result will be available within 24 to 48 hours.
 - Express test result will be available in less than 24 hours

It is important to note that

- The non-vaccinated Seafarers are not allowed to go to the hotel (leave the port) without their negative Covid test results.
- Non-vaccinated Seafarers must return onboard once their tests are done and wait for their results onboard their ships.
- Also, the Port of Lomé does not have the infrastructure to accommodate the Seafarers until they receive their results.
- The Sampling team has not received training to go onboard the vessels to do the tests.

The Procedure currently in place for the non-vaccinated Seafarers (off signers) in resume:

- Come to the Port
- Do the test
- And return to onboard of their ship, the time to receive the results.
- When the test received, disembarked to proceed to the Airport or to the Hotel.

◆ **The Negative Test result have a validity of 5 Days for the Local Authorities in case of necessity for multiple embarkations / Disembarkations**

◆ **Travelers who are tested positive will be placed under strict quarantine in a containment facility set up by the Government.**

- **Quarantine duration will be 10 Days for travellers who don't have a vaccination certificate**
- **Quarantine duration will be 7 days for travellers who have a vaccination certificate**
- **The traveller must bear all associated costs**
