MEMORANDUM

#007

TO : All Port Users and Shipping Agencies

FROM : Hon. Diana Nebo
Managing Director
National Port Authority

1. Diana 10/24/2022

SUBJ. : SAFE MEMO-FREEPORT OF MONROVIA

DATE : OCTOBER 24, 2022

This is an advisory note to all Port Users, Stake Holders, Agents Representatives operating out of the Freeport of Monrovia. This notification references NPA Memorandum #222, dated August 10, 2022, indicating beam and draft restrictions of 28 meters and 9.5 meters respectively. Based on the progress of the dredging process, the restrictions are restored to 32 meters beam and 10 meters drafts for vessels calling on the Freeport of Monrovia, effective October 25th, 2022. It will be prudent that your owners and principals are advised accordingly.

Thanks for your usual cooperation.
